

This training can be set up through a Peoria Rentals Rep. We could work with Vermeer Midwest to find out when the next training class is available. This is a 1-DAY Class

Teupen Safety Acknowledgement:

Choose one or the other

I have received the offer and information on the IPAF operator training from my A Teupen representative.

- Yes I have been offered and will **accept** the IPAF operator training
- Yes I have been offered but will **decline** the IPAF operator training, but would like to receive the model specific familiarization training (video link on our website)

I have received the offer and information on the Teupen training and maintenance videos from my Teupen representative.

- Yes I have received the Teupen video's on training and maintenance (video link on our website)
